

Hillsdale Lake: July 25, 2015

Holton's Prairie Lake Aug 9, 2015

These clinics are for persons with varying disabilities to enjoy the thrill of waterskiing. In 2013 the Pomona Lake Ski club a.k.a Rough Water Warriors raised funds to purchase adaptive equipment and received special training to bring this sport to our communities. We are excited to get to come back to Holton and to expand to Hillsdale in 2015 for these amazing clinics. Space is limited so get registered early!
